Ray -

CPG will be considering the Lyndhurst Divers Dive Suit Request at the next meeting - Monday 2/11 and Tuesday 2/12.

I should have a definitive answer Monday afternoon. It does not appear as though we are going to have a problem getting it approved...but you never know.

I did speak to the Mike the Diver after the Lyndhurst meeting. Told him we were working on it and to sit tight. He was pleased.

Matt
